ABOUT

Crossfire are regarded as one Ireland's finest thrash metal bands combining sci-fi and horror lyricism with what has been described as "brutal, neck-snapping thrash";

Originally formed in 2013, have played both headline shows throughout Ireland and have supported international bands such as Exhorder, Lost Society, GAMA Bomb and Xentrix.

The band released their debut EP "Bound In Skin" and the single 'Who Goes There' in 2018. They would soon go on to embark on their first United Kingdom & Ireland tour before beginning to work on their debut album throughout the COVID-19 pandemic

Their debut full length album, 'Switch To Reset' is scheduled to be released on December 15th, 2023 on WormholeDeath Records.

TESTIMONIALS

"Armed with an assortment of riffs that have been marinating in a Slayer/Metallica gravy, the four-piece pummel the audience with their savage brand of toxic thrash metal, and it's fucking glorious." - Overdrive.ie

"Their massive crescendos of sound are coupled with fierce some riffs played faster than Jonny Rea with the finishing line in sight. It's manic, fast and unrelenting in its pace." - Uberrock.co.uk
